November 2023

Principal's Corner with Ms.

Stefanek:

Greetings Myers-Ganoung Mustangs!

Welcome to November and quarter two. Students are all working in small groups with certified staff members to support their academic needs. They also attend weekly classes with our counselor to support their social and emotional needs. If you feel your child would benefit from a small counseling group, please let their classroom teacher know or call the front office.

Attendance: Attendance is vital. There is a direct connection between attendance and success in the classroom. When students are not at school, they are missing instruction. We understand that emergencies come up and illnesses are still making an impact. Therefore, students need to be at school every day when they are not sick. Instruction begins at 8:30am, the second bell. If students arrive after 9am, they need to be signed in at the front office.

Dismissal: Please use caution when loading and unloading students. Be courteous of where you are parking by not blocking driveways and/or parking in restricted areas!
(continued in next column ->)

Continued: Also, use the crosswalk. This is a safety concern. Thank you for driving courteously, safely, and slowly!

Sincerely,

Ms. Stefanek,
Proud Principal of
Myers/Ganoung
Elementary

Cafecito! 9am

Cafecito this month is hosting Sheri Garth, Director of the HEART Program. What is the HEART Program? The HEART program is TUSD's program that assists displaced families. These are families that may be homeless, staying in a motel, or staying with friends or families. Maybe grandparents or relatives who are caring for students who have been dropped off to live with them for a while, or longer. Or students who are without adults to care for them and are on their own. More and more we find families are struggling with needing a place to live, and needing to stay wherever they can. If you're in such a situation, or know someone in our district in this situation, come hear about the resources available for you or them!
