

Myers-Ganoung Elementary  
Family Engagement Meeting  
February 25, 2025 3P.M.

**Present:** Mrs. Kiana Cox, RIT, Rivkah Selmon, TA, Diana Pitney, CL.

**Call to Order:**

The meeting was called to order by Diana Pitney, all those present were recognized and welcomed.

**Family Engagement Survey:**

The Parent Focus Group took place earlier in the day. There six parents in attendance along with three community members who volunteered their time.

The Family Engagement Team reviewed the questions and answers provided to the parents, and their answers.

Together we discussed what the parents responded to the questions, one being as to what comes to mind when they hear the words, "Family Engagement." They shared some of the things they do as a family and how they want to be involved with their children's education.

Parents shared that they would like to have some workshops that would help them understand what their children are learning. Language is a barrier for some parents, we can get interpreters to come and help them with understanding.

We in turn discussed how we can make this happen, what about the funding, the time issues, the personnel available. Clearly, we need to make this happen, we will need to discuss this further with other team members.

There also were some suggestions as to what they'd like to see take place at our school.

Overall, the parents were satisfied with the progress of our school.

This discussion will be continued at our next meeting.

Meeting adjourned with next meeting on April 17, 2025 @ 3pm
